My Dear Sir

We will wait breakfast for you on Monday: that is till 9 o'clock. If you are at the White Horse Cellar Piccadilly at 7 1/2 pm & you will find coaches or omnibuses to Turnham Green. Tell them to set you down at the "Rock" about 50 yards beyond this inn is a lane called the Terrace,

London

on the right hand. At the
bottom of the Terrace is my
house; As you will see in
the annexed sketch.

I say 9 o'clock, because
if you do not reach me at that
time you cannot do so earlier
than 10. Such however wait till
10 with pleasure if you wish to
find that hour.

Very truly yours

Andersley
